VOLUNTEER CONFIRMATION LETTER

This letter confirms that **Nazım Emek Çapar**, currently a 10th grade student, actively contributed as a volunteer to **Kurtaran Ev Derneği** through various animal welfare and social responsibility activities carried out during the 2024–2025 period.

Throughout his volunteer work, Nazım demonstrated commitment, initiative, and a strong sense of responsibility toward animals in need.

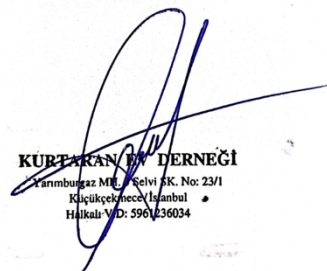

His contributions included:

- Supporting weekend volunteer activities at Kurtaran Ev's Hadımköy Farm, housing 1200 dogs, over a period of approximately 10–15 weeks.
- Assisting with daily care, feeding, cleaning, and socialisation activities for the animals at the farm.
- Collecting food, carpets, blankets, and other useful materials from neighbours and his local community to support the needs of the animals.
- Setting up and running a lemonade stand together with his sibling, with the proceeds used to purchase food for the animals under our care.
- Initiating and helping coordinate the surplus food donation process at Borusan, enabling approximately 6 tonnes of food support in 2025 to be delivered to Kurtaran Ev. This donation has been crucial in providing nutritious food for the dogs under our care.
- Helping facilitate the donation and delivery of surplus materials such as pallets, cardboard, tables, and other useful items to support the operational needs of our organisation.

We would like to thank Nazım for his valuable volunteer contribution, compassion, and dedicated efforts in supporting the animals under our care. We wish him continued success in his academic and personal development.

Sincerely,

M. Onur Boltürk
